Statement of Support

Central Gauteng Golf Union's Endorsement of the GolfRSA Women in Golf Charter

Central Gauteng Golf Union proudly supports the **GolfRSA Women in Golf Charter**, an initiative aligned with the global vision of **The R&A**, to drive greater inclusion, diversity, and equality in the sport of golf.

We believe that golf should be a game for everyone – a space where women and girls of all ages, races, and skill levels can thrive, whether they are playing, volunteering, leading, or building careers in the sport.

Our commitment to the Charter is a reflection of our purpose:

"To promote, advance, foster, encourage, and protect the game of golf in the interests of its Members and their Golfers."

Through this Charter, we aim to:

- Break down barriers that limit participation and progression for women.
- Champion female representation in all areas of the game – from club level to the boardroom.
- Create safe, inclusive, and empowering environments where women can grow and excel.
- Work with our clubs and stakeholders to increase opportunities, visibility, and support for women in golf.

As a Union, we are inspired by the legacy of **Ladies Golf Gauteng**, and we are committed to building on that legacy by continuing to uplift and advocate for women in the game.

Together with GolfRSA and the broader golfing community, we will continue to strive for a more inclusive future – where golf reflects the diversity, strength, and potential of all who play it.
