CENTRAL GAUTENG GOLF UNION -
SELECTION CRITERIA FOR REPRESENTATION

The below criteria will apply to the Challenge and Premier IPT teams.

Selection Criteria:

1. We do not prescribe which tournaments the Open Amateurs must play in but it is in the interest of every player to play in as many Open Amateur events which counts towards the CGGU Open Ranking system as we use this Ranking System in the process of selecting the players who will represent the Union at the Premier IPT.

2. The top four (4) Central Gauteng players from the CGGU Open Ranking System as at the time of the selection of the team will be automatically chosen to represent the Union at the IPT events.

3. In addition, four (4) wild card players will be selected by the Selection Committee.

4. The team must include one PDI player and should one not have automatically qualified the selection committee will select a player of colour at their discretion. Should a PDI player automatically qualify under point (2) above, then this spot will become an additional wild card selection.

5. In addition the above criteria, the Selection Committee will also consider the following:

    a) Performance in the SA Open and any major event held under the auspices of the Golf Unions, including overseas tournaments.
    b) Match play results in CGGU Scratch League.
    c) Other relevant factors at selector's discretion such as golf etiquette, code of conduct and tournament behaviour.

Final selection of the team rests with the Selection Committee of the Central Gauteng Golf Union and they may alter the selection criteria as published at their discretion at any time.
