

This image shows a large grid with a header section on the left and several vertical bands of different colors. The header section contains text and is divided into columns. The vertical bands are: a wide grey band, a yellow band, a pink band, a green band, an orange band, a yellow band, a green band, a yellow band, a pink band, and a wide grey band. The grid is composed of small squares, and the text in the header is too small to read.

This image shows a large grid with a black border, divided into several vertical bands of different colors. From left to right, the bands are: a wide white band with several thin yellow horizontal lines; a grey band; a yellow band; a pink band; a green band; an orange band; a yellow band; a green band; a yellow band; a pink band; a wide white band with several thin yellow horizontal lines; and a final grey band. The grid is composed of small squares, and the colored bands are solid in color.

This image shows a large grid with a black border, divided into several vertical sections. The sections are color-coded as follows from left to right: a thin white section with horizontal lines, a grey section, a brown section, a yellow section, a pink section, a green section, an orange section, a yellow section, a green section, a yellow section, a pink section, a grey section, and a final thin white section with horizontal lines. The grid is mostly empty, with some faint horizontal lines and a few small yellow rectangular markers in the leftmost section.
