- 1.1 The league is divided into 5 (five) divisions with a maximum of 6 (six) teams per division after promotion and relegation has been applied based on the previous season's results and after entries have closed for the new season.
- 1.2 Clubs may be restricted to enter a maximum of 2 (two) teams each unless otherwise approved by the CGGU based on availability. Should too many teams be entered where it becomes impractical to complete the season successfully, the CGGU reserves the right to decide if a club's team must be excluded, and this decision will be final.
- 1.3 All new entrants shall commence in the lowest Division.
- 1.4 The CGGU retains the right to adjust the number of teams in the lowest Division. This may result in fewer or more games being played during the season depending on the final numbers. The bottom division is to be considered as a feeder division in order to encourage league participation.

2. Date of Play

- 2.1 All matches must be played on the date as published on the fixture list **and no extensions will be permitted**. Clubs may arrange with their opponents to play the match prior to the scheduled date but not a later date. **The clubs must notify the union if there has been any date changes.** Any match not completed by the day following the scheduled date, will be logged as completed with neither team being allocated any points.
- 2.2 Fixtures should start at 12:00pm or at an alternative time agreed to by both clubs concerned. **Unless agreed via written communication and agreed upon by both clubs it will be assumed that the tee times will start at 12:00pm. Clubs are responsible for recording the correct tee time on the Scorecapture Online system.**

- 3.3 A maximum of 3 (three) temporary greens may be used by the home club, failing which, an alternative venue must be arranged for the fixture or the “home” team must also play at the away venue.
- 3.4 In the event of a course being deemed unplayable, in the first half of the year, the teams may swap venues with each other but must consult with the Union.
- 3.5 Should this happen for any return match, the match must be played at the opponents’ course again and the visiting team must cover the full costs for both teams. For weather delays refer to Point 7.
- 3.6 Clubs are responsible for accurately uploading their correct team players on the Scorecapture Online System. The uploading of team names can be done at any stage before the fixture, but there will be a cut-off at 23:59 the day before the scheduled date. Clubs may elect to “hide” their team from the opposing team, but these will become visible 30 mins before the club’s recorded first tee time.
- 3.7 Should a club not upload their team by the cut-off time the following penalties will be imposed:

First time - 1 GAME point penalty, 2nd time - 2 GAME point penalty, 3rd time - 3 GAMES point penalty, etc.

4. Details of play

- 4.2 Play will be conducted in terms of the host Clubs Local Rules.
- 4.3 The Scorecapture system will automatically open a round for each player for a CGGU League fixture.
- 4.4 Players who finish a competition match play round, before the full 18 holes have been played, must enter their **hole-by-hole gross scores for the completed holes in the HNA system**, and then select the incomplete round option on the HNA system. The system will then use the WHS expected score algorithm, to complete the 18 holes gross score for the player. **Players who go on to complete the round after the match has ended, should not enter their stroke play scores for the remaining holes, because the combination of a competition match play and social stroke play score, is not an acceptable score**
