CENTRAL GAUTENG GOLF UNION**SCRATCH LEAGUE CONDITIONS****2024 SEASON****1. Composition**

- 1.1 The league is divided into divisions of 8 (eight) teams per Division after promotion and relegation has been applied based on the previous season's results and after entries has closed for the new season.
- 1.2 Clubs may be restricted to enter a maximum amount of teams based on availability or otherwise approved by the CGGU. All new entrants shall commence in the lowest Division. Should too many teams be entered where it becomes impractical to complete the season successfully, the CGGU reserves the right to decide if a club's team must be excluded, and this decision will be final.
- 1.3 The CGGU retains the right to adjust the number of teams in the lowest Division. This may result in fewer or more games being played during the season depending on the final numbers. The bottom division is to be considered as a feeder division in order to encourage league participation.

2. Date of Play

- 2.1 All matches must be played on the date as published on the fixture list **and no extensions will be permitted**. Clubs may arrange with their opponents to play the match prior to the scheduled date but not a later date. **The clubs must notify the union if there has been any date changes.** Any match not completed by the Monday following the scheduled date, will be logged as completed with neither team being allocated any points.
- 2.2 Fixtures should start at **07:45 am** or at an alternative time agreed to by both clubs concerned. Unless agreed via written communication and agreed upon by both clubs it will be assumed that the tee times will start at 07:45 am. Clubs are responsible for recording the correct tee time on the Scorecapture Online system.

3. Club Responsibilities

- 3.1 The Club reflected first on the fixture list is to be the host Club for the match.

- 3.3 The host club should set the course up so that matches are played off the Traditional Championship Tees (in most cases the Yellow Course) and the overall length must not exceed the total length as per the club rating distance on the scorecard. Clubs are requested to vary the tees and not to set up the course totally off the back on all holes.
- 3.4 A maximum of 3 (three) temporary greens may be used by the home club, failing which, an alternative venue must be arranged for the fixture or the “home” team must also play at the away venue.
- 3.5 In the event of a course being deemed unplayable, the club’s home side may either play at the away venue or at a neutral venue. In either case that team will be responsible for the full costs of that fixture which includes green fees and halfway house for both their team and the opposition team. Should the visiting club not be prepared to pay this portion, they will forfeit the points of the 4 games.
- 3.6 Host Clubs are obliged to grant courtesy of their course (i.e. at member’s rates) to league team members for 1 practice round at such times from the Sunday to Friday preceding the match as may be suitable to the Club. Players must make application for such facilities as early as possible.
- 3.7 The tee intervals for scratch league must be the same as the club standard tee time intervals.
- 3.8 It is recommended that there must be a minimum gap of 1(one) tee time interval between the last scratch league match and any other players. (Clubs are reminded that in the event of the league matches running late due to unforeseen circumstances, that the league matches will have priority over the rest of the field).
- 3.9 Clubs are responsible for accurately uploading their correct team players on the Scorecapture Online System. The uploading of team names can be done at any stage before the fixture, but there will be a cut-off at 23:59 the day before the scheduled date. Clubs may elect to “hide” their team from the opposing team, but these will become visible 30 mins before the club’s recorded first tee time.
- 3.10 Should a club not upload their team by the cut-off time the following penalties will be imposed:

The system will then use the WHS expected score algorithm, to complete the 18 holes gross score for the player. **Players who go on to complete the round after the match has ended, should not enter their stroke play scores for the remaining holes, because the combination of a competition match play and social stroke play score, is not an acceptable score**
- 4.5 Teams in each Division shall consist of eight players. Each team shall have a designated Captain.
